JULIA JEONG, DMD, MS

PRACTICE LIMITED TO ORTHODONTICS

February 12, 2026

Dear Patients and Families,

It is with a heart full of gratitude and mixed emotions that I am writing to share some significant news. After more than 25 rewarding years of practicing orthodontics in Port Jervis and Warwick, I have decided to retire.

Reflecting on the past quarter-century, the most meaningful part of my career at Family Orthodontics has been the relationships I have built with you. Watching my patients grow up, gain confidence, and walk out of our office with a brand-new smile has been the greatest joy of my professional life. Many of you have been with us for years! I cannot thank you enough for allowing me to be a part of your lives.

As I prepare for this new chapter of my life, my primary concern is ensuring that you continue to receive the highest standard of orthodontic care. To that end, I am delighted to officially introduce my successor, **Dr. Julia Jeong**.

Many of you already know Dr. Julia, as she has been a vital part of our practice for the past four years. I chose Dr. Julia specifically because of her expertise, her gentle approach, and her dedication to the same “patient-first” philosophy we’ve always held. I have the utmost confidence in her and the entire Smile Power team to carry forward the legacy of this practice.

Thank you for trusting me with your smiles for the last 25 years. It has been an honor I will always cherish. I will miss cheering and supporting you, whether that was at soccer games, school plays, the Smile Power scholarship contest, the Delaware River Run, Applefest fundraisers, and so many more amazing memories.

I wish you and your family health, happiness, and many beautiful smiles in the years ahead.

Sincerely,

H Jung

Dr. Haesin Sabina Jung
